

LINTEX / 2023.

AN INTRODUCTION

LINTEX manufactures writing boards for offices, schools, workplaces and meeting places. We create tools for creative processes: for ideas, flows, sketches, images. These are the same, all around the world. That's why LINTEX is everywhere you need us internationally. We are function and style in a writing board world of traditional non-design. Our products' design quality and beautiful, durable materials open up a world of spontaneous activity and uses. They make it a pleasure to write, to think, simply to use them. The essence of Scandinavian design is function and the beauty of function. This is the stable point from which LINTEX begins.

We are a Swedish family company founded in 1983. All our products are sold under our own brand. The main office and factory are in Nybro in Småland, a region long associated with innovation, entrepreneurship, manufacturing and the world-famous glassworks. LINTEX has subsidiaries, sales offices and agents in Scandinavia, Europe and the rest of the world. We have control of our entire production chain, of its lead times and stock levels. Working closely with customers and providing quick service are our standard operating procedure.

SUSTAINABILITY

Working sustainably is a key element of our strategy, our culture and our day-to-day operations. For many years we've built well designed, timeless products, that can stand up to years of hard use. By 2030 all our products will be 100% circular, designed for reuse and recycling. Today we strive towards traceable material flows by using certified materials, such as EU Ecolabel, Oeko-tex and FSC®. Circula design and raw materials with low climate footprint will take us closer to our goal of Net Zero climate impact by 2030. Our production facility is already a net-producer of renewable energy, thanks to geothermal heating and over 4200 solar panels on the factory roof, producing 1.6 million kWh annually. We do Life Cycle Analyses (LCA) according to ISO 14040 and publish third party verified Environmental Product Declarations (EPD). We therefore have knowledge of the entire climate impact from our products life cycle.

We certify our products with the Swedish assessment systems Byggsvarubedömningen and Möbelfakta. Möbelfakta is a labeling system covering quality, environment, and social responsibility. Requirements include EN and ISO quality standards, absence of hazardous substances and compliance to the UN Global Compact principles. It is a type 1 eco-label according to ISO 14024. LINTEX is ISO 14001 and FSC certified (License Code: FSC-C170086).

It is of highest priority that the people contributing to our products, work under good conditions and that human rights always are protected and promoted. We also want our products to empower the people using them, by making innovation, learning and creativity possible. Sustainability is a project that never ends, an ongoing journey towards an evolving destination.

Whiteboard

Designed for creative torrents, flows and waves. Make everything visible: words, sketches, daydreams. Tools for professionals made to last for decades.

OUR WHITEBOARDS

Our ceramic steel whiteboards are of the highest quality and include a 30-year warranty on the writing surface. The steel sheet core is made of 50% recycled material and the boards are up to 99% recyclable. All boards are individually packaged and include fittings for wall mounting.

When ordering chalkboards or whiteboards in other colours than white, please add one of the following prefixes in front of the article number:

BE = beige (whiteboard)
G = green (chalkboard)
GG = graphite grey (chalkboard)
B = blue (chalkboard)
GR = light grey (whiteboard)
S = black (chalkboard)

For matte or semi-matte surface, please add one of the following prefixes to the article number:

S = Semi-matte
M = Matte

Since writing is difficult to erase on a matte surface, we don't recommend matte surface as a writing board.

AIR

A white or soft grey magnetic ceramic steel writing board with bevelled edges coordinated to the surface, Air provides an alternative to a traditional frame creating a sense that the board is floating on the wall. Can be complemented with AIR TEXTILE noticeboards.

AIR TV

A magnetic ceramic steel whiteboard equipped to hang a TV screen. The white bevelled edges provide a sense that the TV is floating on the wall. The TV screen is mounted using fixings included and are compatible with all standard VESA sizes. The Air TV is designed with a cut out to the centre discreetly hidden behind the TV screen making access easy for cabling and power.

MATHEMATICS

A ceramic steel chalkboard with a raw aluminum frame. The materiality of the frame is emphasized through the unfinished aluminium with colour irregularities and markings. Patinated even more over time and combined with the dustiness of the colourful chalk board, it gives the product life on the wall. The chalk pens can be stored in the frame. MATHEMATICS is available in one size with three characteristic chalk board colours. Designed by HALLEROED.

MOOD SPACES

By connecting multiple mood walls, you can now create large continuous writing surfaces with seamless joints. Every board is magnetic and available in our 24 carefully selected colours. We use tempered low iron glass which eliminates all shades of green and gives the glass optimum finish and colour reproduction. Birch or plexiglass pen trays are sold separately.

SILK WALL

SILK-GLASS® is a state-of-the-art material with a smooth, silky matte surface. No reflections and just as good for writing and erasing as any other glass, the unique Silk glass surface gives our 24 selected colours a deep appearance and a rich, silky hue that responds to changing light throughout the day. This makes Silk Wall a revolutionary matte writing board.

Mobile writing boards

A butler in our rapidly changing offices and workspaces. In a transient world of shifting digital images, the mobile board is durable and distinct.

UNIT

Moveable walls that form privacy and calm in the clutter and rush that is the modern office. With both sides individually customizable through a wide array of glass and textile surfaces, UNIT can be a creative surface for writing, erasing and pinning, or an industry leading sound absorber, always ready to screen and move around thanks to the retractable wheels. All feet are sold separately. Designed by HALLEROED.

MOOD FABRIC MOBILE

A mobile glass writing board with a fabric covered, sound absorbent back. The Mood Fabric is a versatile screen that offers a seamless combination of materials and functions. Available in three sizes: two smaller with a full glass front and a large model with a glass and textile front. All have a textile covered back with a sound absorbent filling. Available in several selected standard colours. Feet are available in black or grey with matching castors or solid oak with black castors. All feet are sold separately. Designed by MATTI KLENELL and HALLEROED.

FRAME MOBILE

A double-sided glass mobile writing board with a bentwood frame. The softly rounded frame defines the work surface and doubles as a handle when moving the board between locations. Frame mobile is available in two sizes, each of them in two versions, a model with coordinating light grey feet, castors and frame and another with solid oak feet, black castors and matching oak frame. The glass is available in our carefully selected 24 standard colours. For a monochrome appearance we recommend colour Soft - 150 combined with grey feet and matching frame. Designed by HALLEROED and MATTI KLENELL.

SALES AND DELIVERY TERMS	<p>Austria, Baltic countries, Benelux, France, Poland:</p> <p>Free delivery DAP for all orders above € 1000 net order value. For orders less € 1000 a freight cost of € 150 is charged.</p> <p>Switzerland, Spain, Portugal, Italy, and Ireland:</p> <p>Free delivery DAP for all orders above € 1500 net order value. For orders less € 1500 a freight cost of € 200 is charged.</p> <p>Other countries: Ex Works or according to agreement</p> <p>Additional Freight Services:</p> <p>Delivery Notification (phone/e-mail) €15 per shipment. Express Delivery, Fixed Date Delivery, Second Delivery Cost, Etc. €100 per shipment.</p>
RESERVATION REGARDING OWNERSHIP	Deliveries will only be effected at our terms of payment and delivery. The goods remain the property of Lintex until full payment has been settled
DELIVERY TIMES	Goods in stock: normally 5 - 8 working days. For other products, inquire about delivery time. Delivery time is reckoned from the day we receive the order. Our confirmed shipping day is the day the goods leave the plant.
QUOTE	Unless otherwise stated a quote applies for 30 days. Orders are accepted as and when confirmed in writing by Lintex.
RETURNED GOODS	Standard products that Lintex keeps in stock may be returned within 14 days of delivery. The customer is responsible for paying the return shipping cost and the goods must be returned in their unbroken original packaging. Any damage in transit will be charged to the customer. Before the return, Lintex's sales department must be contacted to obtain a returns note. Lintex will charge the customer a returns fee of 20% of the value of the goods. An order may be cancelled within three working days of the order confirmation. There will be no refund for the cancellation of manufactured products that are not stock items.
CLAIMS	If upon arrival the product is damaged, this shall be noted in the consignment note before receipt is acknowledged. Damage claims shall be notified to the responsible shipping agent. Claims can also be filed 7 days after receipt if the damage was not discovered upon arrival. Other claims due to obvious shortcomings on our part shall be submitted in writing to Lintex.
PAYMENT TERMS	30 days net. In case of delayed payment, late charges will be debited corresponding to 8 per cent interest above the reference interest rate of the Swedish Central Bank.
CONDITIONAL SALE	Delivered goods remain the property of Lintex until full payment has been made.
PRICES	We reserve the right to raise prices due to rises in raw material prices and currency fluctuations. Articles can also be the subject of constructional and design changes. All prices are exclusive of sales tax.
GUARANTEE DURATION	Lintex provides 2 years guarantee against defects in manufacture. The guarantee period is reckoned from delivery day and assumes that directly after delivery the products are placed in premises at room temperature and that they are not exposed to abnormal wear or damaging treatment. When mounting or assembling in situ by a fitter recommended by Lintex, 2 years guarantee is given from the date of approved inspection.
