DROP IT OFF

Return your used cartridges to any of the participating stores below for free – and at your convenience.

Programs vary by country

MAIL IT BACK

Simply package your used cartridges in our ready-to-ship ink envelopes or boxes.

If you don't have a box, you can order a free postage-paid box too.

Scheduled pick up is available in some locations.

Programs vary by country

REQUEST A PICK UP

Use our website to
schedule a free pallet
pick up.

Pallets must be uniform
(i.e. only HP toner or
only Samsung toner)

Programs vary by country

RECYCLE IN BULK

Improve your sustainability impacts by returning multiple used cartridges at a time.

More efficient shipments = less fuel consumption + lower CO² emissions

BEST PRACTICES IN SUPPLIES RECYCLING

Please DO NOT mix ink and toner cartridges together in the same box or envelope.

TONER

These items can be returned together in boxes:

- Samsung Toner
- HP Toner
- Long Life Consumables

INK

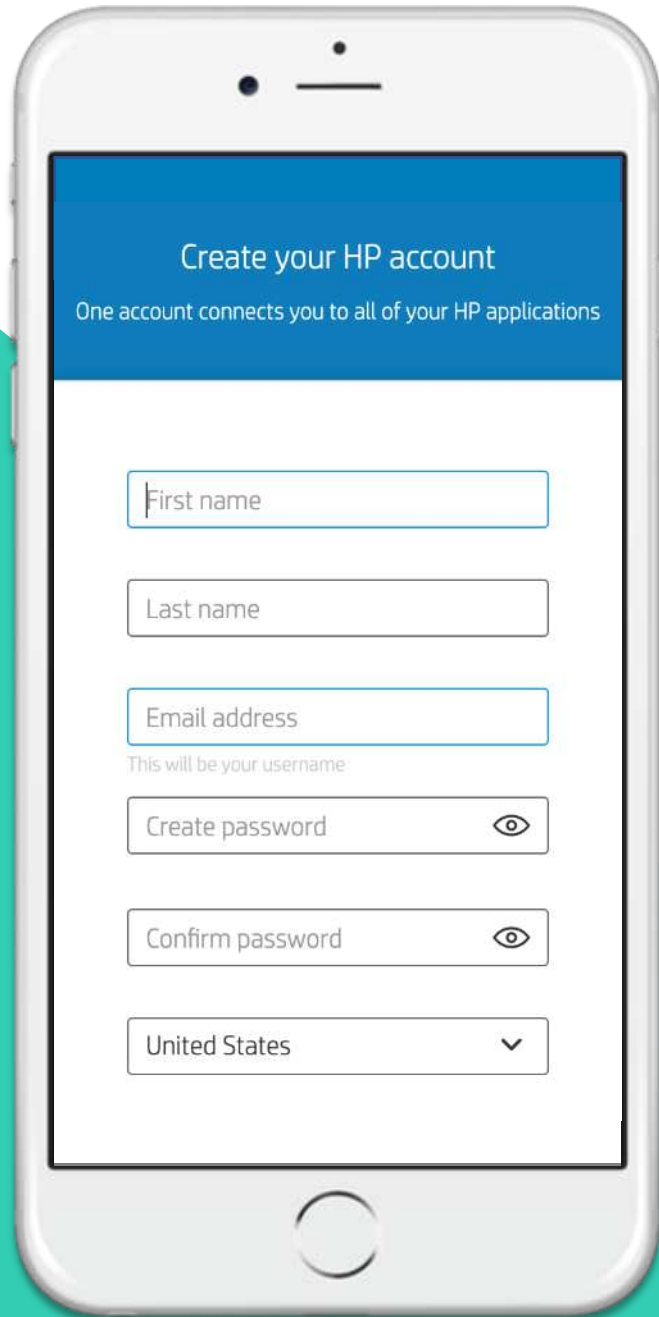

These items can be returned together in boxes or envelopes:

- HP Ink
- HP Ink Printheads
- HP Sprocket cartridges
- HP Ink Bottles

WE CANNOT ACCEPT:

Non-HP Cartridges
Remanufactured Cartridges
Refilled Cartridges

For details on what we can and cannot help you recycle please visit this [link](#)

Recycling benefit reporting

Certificates for businesses

Link accounts to track collective impacts across your organization

MORE CONNECTED THAN EVER BEFORE

Share your recycling wins
with ease.

875M

Since 1991, 875 million ink and toner cartridges have been recycled by customers through HP Planet Partners.

The HP logo is centered at the bottom of the panel. The background is a dense field of blue fish.

114M

114 million post-consumer plastic hangers have been used to make new Original HP Ink cartridges.

The HP logo is centered at the bottom of the panel. The background shows a stack of cardboard boxes with a hanger icon on them.

220T

220 tonnes of ocean-bound plastic have been used to make new Original HP Ink cartridges.

The HP logo is centered at the bottom of the panel. The background shows a clear plastic bottle lying on a sandy beach.

256M

Since the year 2000, 256 million pounds of recycled plastic have been used to make new ink and toner cartridges.

The HP logo is centered at the bottom of the panel. The background is a close-up of many small, dark plastic pellets.

875M

Since 1991, 875 million ink and toner cartridges have been recycled by customers through HP Planet Partners.

YOUR USED
CARTRIDGES
ARE THE DIFFERENCE
BETWEEN PLASTICS
IN LANDFILLS, AND
PLASTICS THAT CLOSE
THE LOOP.

YOUR USED
CARTRIDGES
ARE THE DIFFERENCE
BETWEEN INDIVIDUAL
AND COLLECTIVE
IMPACT.

256M

Since the year 2000, 256 million pounds
of recycled plastic have been used to make
new ink and toner cartridges.

A hiker with a backpack is walking away from the camera on a mountain trail. The hiker is wearing a light-colored t-shirt, dark shorts, and a black backpack. The trail is a dirt path with some rocks, leading up a grassy slope. In the background, there are large, rugged mountains with some greenery on the lower slopes. The sky is blue with some white clouds. The overall scene is a scenic mountain landscape.
